CLAIMANT MEDICAL RECORDS & LEGAL FILE (COMBINED)

Combined Records Index

Claim Number	CLM-2026-04487
Claimant	Denise R. Varga
Provider	Lakeside Orthopedic & Spine Center
Treating Physician	Dr. Anita S. Reyes, MD
Total Pages	108
Diagnoses	Cervical strain (S13.4XXA); Lumbar disc herniation L4-L5 (M51.26); Post-concussive syndrome (F07.81)
Total Billed	\$74,210.00

This combined file contains: (1) intake and history, (2) imaging and physician notes, (3) itemized billing, and (4) legal correspondence including the plaintiff demand. Scanned pages are embedded where originals were faxed.

Lakeside Orthopedic & Spine Center

CLAIMANT MEDICAL RECORDS & LEGAL FILE (COMBINED)

Progress Note — 2026-03-02

Patient Denise R. Varga
Date of Service 2026-03-02
Provider Dr. Anita S. Reyes, MD
Assessment Post-concussive syndrome (F07.81)

Subjective: Patient reports ongoing neck and lower-back pain rated 6/10, aggravated by prolonged sitting. Sleep disturbance noted. Objective: Reduced cervical range of motion; positive straight-leg raise on the left. Tenderness on palpation of the paraspinal musculature. Assessment: Injuries remain consistent with the motor-vehicle collision of 2026-02-11. Plan: Continue physical therapy 2x/week, NSAID as needed, follow-up in 3 weeks. Diagnostic imaging on file. Billed charges to date: \$1,374.26.

Lakeside Orthopedic & Spine Center

CLAIMANT MEDICAL RECORDS & LEGAL FILE (COMBINED)

Progress Note — 2026-03-20

Patient Denise R. Varga
Date of Service 2026-03-20
Provider Dr. Anita S. Reyes, MD
Assessment Cervical strain (S13.4XXA)

Subjective: Patient reports ongoing neck and lower-back pain rated 7/10, aggravated by prolonged sitting. Sleep disturbance noted. Objective: Reduced cervical range of motion; positive straight-leg raise on the left. Tenderness on palpation of the paraspinal musculature. Assessment: Injuries remain consistent with the motor-vehicle collision of 2026-02-11. Plan: Continue physical therapy 2x/week, NSAID as needed, follow-up in 3 weeks. Diagnostic imaging on file. Billed charges to date: \$2,061.39.

Lakeside Orthopedic & Spine Center

CLAIMANT MEDICAL RECORDS & LEGAL FILE (COMBINED)

Progress Note — 2026-04-08

Patient Denise R. Varga
Date of Service 2026-04-08
Provider Dr. Anita S. Reyes, MD
Assessment Lumbar disc herniation L4-L5 (M51.26)

Subjective: Patient reports ongoing neck and lower-back pain rated 8/10, aggravated by prolonged sitting. Sleep disturbance noted. Objective: Reduced cervical range of motion; positive straight-leg raise on the left. Tenderness on palpation of the paraspinal musculature. Assessment: Injuries remain consistent with the motor-vehicle collision of 2026-02-11. Plan: Continue physical therapy 2x/week, NSAID as needed, follow-up in 3 weeks. Diagnostic imaging on file. Billed charges to date: \$2,748.52.
